

Presbyterian Medical Services Home Visiting Program

WHO ARE HOME VISITORS?

- PMS Home Visitors are qualified parent educators certified through the nationally recognized, evidence-based *Parents as Teachers* model.
-

WHAT IS HOME VISITING?

- Voluntary FREE program intended to promote healthy parent/child relationships.
 - Supports pregnant women and improves pregnancy outcomes.
 - Provides developmental activities to strengthen parent-child bonding and build positive parenting practices.
 - Promotes school readiness using assessment tools to monitor child development and identify developmental concerns.
 - Provides strengths-based support to caregivers to promote family stability.
 - Identifies and assists families with accessing community resources and stabilizing family support systems.
 - Grant funded program under NM Early Childhood Education & Care Department.
-

WHO CAN RECEIVE HOME VISITING SERVICES?

- Anyone who is pregnant or has a child under the age of five years old.
 - Anyone who is a resident of Lea, Eddy, Chaves, Cibola, Quay or San Juan Counties.
-

What can I expect from my home visitor?

- Bi-monthly or monthly visits
- Developmental assessments every 6 months
- Developmental activities
- Education and handouts on parenting topics such as discipline, attachment, health, nutrition, etc.
- Community resources and referral support as needed

What is our Safe Sleep Program?

- Home Visitors bring SIDS awareness & education to prenatal women to reduce sudden infant death syndrome.
- Prenatal moms who participate in the safe sleep class will receive a FREE "Fold-N-Go Bassinet" (Enrollment is not necessary to receive the bassinet).

“ I'm grateful that this program is available because I've learned so much and this is my 4th baby!
- Davianna G. ”
